

CPRB SURVEYORS

According to the policies and procedures of the Canadian Pharmacy Residency Board, site surveys are carried out by members of the Board or individuals designated by the Board. For your information, please find below a brief introduction to the surveyors who are not CPRB members.

CHAIR

Leslie Manuel, BScPhm, ACPR, PharmD

Clinical Pharmacy Manager
The Moncton Hospital -
Horizon Health Network 135
MacBeath Ave
Moncton, New Brunswick, E1C 6Z8

E-mail: leslie.manuel@horizonnb.ca

Phone: 506-857-5353

Fax: 506- 857-5540

Leslie Manuel is a Clinical Resource Pharmacist in Emergency Medicine and Clinical Pharmacy Manager at The Moncton Hospital. She graduated from Dalhousie University, completed a residency at The Moncton Hospital and completed her PharmD with the University of Florida. After her residency she started a practice in emergency medicine. She was the residency coordinator for 7 years prior to becoming the Clinical Pharmacy Manager. She continues to be involved provincially and nationally with CSHP. She is the Co-Chair of the Surveyors working group.

MEMBERS

Jennifer Bolt, BScPharm, ACPR, PharmD, MHA

Research & Development Pharmacist
Seniors' Care/Pharmacy Practice Models
Interior Health Authority
2255 Ethel Street
Kelowna, BC V1Y 2Z9

Email: jennifer.bolt@interiorhealth.ca

Phone: 250-212-8143

Jennifer Bolt completed her Bachelor of Science in Pharmacy at the University of British Columbia in 2006. She went on to complete a Hospital Pharmacy Residency in Fraser Health Authority in 2007, Doctor of Pharmacy from UBC in 2009 and Masters of Health Administration from the University of Regina in 2019. Jennifer worked in Kelowna, BC as a

Cardiology Pharmacy Specialist from 2009 to 2013 after which she moved to Regina, SK. Employed by the Regina Qu'Appelle Health Region, Jennifer worked as the Residency and Education Coordinator for three years and the Manger of Research and Development for one year. In 2017, Jennifer moved back to Kelowna, BC and is currently working as a Research & Development Pharmacist. She teaches in the UBC Entry to Practice and Flex PharmD programs and precepts pharmacy residents and pharmacy students. She is a Clinical Assistant Professor (Partner) with the University of British Columbia.

Cathy Burger, BScPhm, ACPR

Clinical Pharmacist/Residency Coordinator
St. Joseph's Healthcare Hamilton
50 Charlton Ave E Hamilton, ON, L8N 4A6

E-mail: cburger@stjoes.ca

Phone: 905-522-1155 ext. 33808

Cathy Burger is a clinical pharmacist in renal transplant and the residency coordinator at St. Joseph's Healthcare in Hamilton, Ontario. She graduated from the University of Toronto and went on to complete a residency at Mount Sinai Hospital. She worked at St. Paul's Hospital in Vancouver and then returned to Mount Sinai to cover internal medicine. Cathy does some consulting and is actively involved in the Pharmacy Examining Board of Canada OSCE examination. Cathy is a member of the CPRB Surveyors working group.

Roxane Carr, BSc, BSc(Pharm), ACPR, PharmD, BCPS, FCSHP

Clinical Coordinator, Department of Pharmacy, Children's & Women's Health
Centre of BC Lower Mainland Pharmacy Services
Assistant Professor, part-time, Faculty of Pharmaceutical Sciences 4500 Oak Street, room 0B7
Vancouver, BC V6H 3N1

E-mail: rcarr@cw.bc.ca

Phone: 604-875-2710

Roxane Carr is the Clinical Coordinator of the Pharmacy Department at the Children's and Women's Health Centre of BC, Clinical Pharmacy Specialist for Pediatric Critical Care, and an Assistant Professor, part-time, in the Faculty of Pharmaceutical Sciences at the University of British Columbia (UBC) in Vancouver, British Columbia. She completed a BSc in Pharmacy at UBC, a Canadian Hospital Pharmacy Practice Residency at Vancouver General Hospital, a post-baccalaureate PharmD degree at UBC, and a post-doctoral research fellowship in Pediatric Pharmacotherapy at The Ohio State University. Her primary area of practice is Pediatric Critical Care. She is a member of the CPRB Surveyors working group.

Barb Evans, BSP, ACPR, MSc, FCSHP

Clinical Manager

Royal University Hospital – Saskatoon Area, Saskatchewan Health Authority

Pharmacy Department

103 Hospital Drive

Saskatoon, SK, S7N 0W8

E-mail: barb.evans@saskhealthauthority.ca

Phone: 306-655-2268

Barb Evans is a Clinical Manager with the Saskatchewan Health Authority, Saskatoon Area. She is responsible for clinical pharmacy services in the areas of adult medicine, oncology, and emergency. She has been the Coordinator for the Saskatoon Area's Pharmacy Residency Program since 1999 and oversees Structured Practice Experiences for pharmacy students from the College of Pharmacy and Nutrition, University of Saskatchewan.

Barb completed her Bachelor of Science in Pharmacy at the University of Saskatchewan followed by a Hospital Pharmacy Residency at Royal University Hospital in Saskatoon. She later completed a Master of Science degree in Clinical Pharmacy at the University of Saskatchewan and is a fellow with the Canadian Society of Hospital Pharmacists. Barb has been actively involved with volunteer professional organizations including the Canadian Society of Hospital Pharmacists, at a provincial and national level. She is a member of the CPRB Surveyors working group.

Curtis Harder, BSc(Pharm), ACPR, PharmD

Clinical Pharmacy Specialist – Adult ICU

Victoria General Hospital

1 Hospital Way

Victoria, British Columbia, V8Z 6R5

E-mail: curtis.harder@islandhealth.ca

Phone: 250-217-3291

Curtis Harder completed a Bachelor of Science in Pharmacy degree at the University of British Columbia (2000), a hospital pharmacy residency at St. Paul's Hospital in Vancouver in 2001, and a Doctor of Pharmacy degree at the University of British Columbia (2007). Curtis has a combination of clinical and leadership experience. He served as the Coordinator for Pharmacy Education & Practice Residency (2011-17) at Island Health and as Clinical Coordinator for Pharmacy at Victoria General Hospital (2017-22), and he has come full circle and is currently working (again) as the Clinical Pharmacy Specialist for Adult Intensive Care at the Victoria General Hospital.

Curtis has been a member of the Canadian Pharmacy Residency Board (2013-2019) and is currently CSHP's representative for the Canadian Council for the Accreditation of Pharmacy Programs (2019-present). He loves working directly with learners and continues to serve as an active preceptor for pharmacy residents and students in both clinical and research settings.

Curtis has an appointment with the UBC Faculty of Pharmaceutical Sciences as a Clinical Assistant Professor and is a Fellow of the Canadian Society of Hospital Pharmacists.

Jean Lefebvre, BPharm, MSc (hosp), PhD

Professor
Faculté de pharmacie de l'Université Laval
Pavillon Ferdinand-Vandry
1050, avenue de la Médecine, local 2698 Université Laval,
Québec (Québec) Canada G1V 0A6

E-mail: Jean.Lefebvre@pha.ulaval.ca

Phone: 418-656-2131 poste 405639

Fax: 418-656-3266

Jean Lefebvre graduated in pharmacy from Laval University and completed in 1988 a master's degree (residency) in hospital pharmacy at the Quebec Cardiology and Pneumology Institute. He worked as a clinical pharmacist at CHU de Québec where he joined the Hypertension Research Unit in 1989. He later completed a fellowship in clinical pharmacology (Vanderbilt University School of Medicine, Tennessee) and obtained a PhD in the field of pharmacogenetics and hypertension (Laval University). Dr. Lefebvre is currently professor at the Faculty of Pharmacy of Laval University. He was the director of the master's degree in advanced pharmacotherapy (PGY1 residency) between 2008 and 2011, and the dean of the faculty between 2011 and 2019. He is a member of the CPRB surveyors working group. Dr. Jean Lefebvre obtained his PhD at Université Laval after completing a fellowship in clinical pharmacology at Vanderbilt University, Tennessee in 2002. During his career as a hospital pharmacist at the CHU de Québec, he has been involved in various clinical research projects in the field of hypertension and cardiovascular disease, publishing several articles and participating in various national and international meetings. Dr. Lefebvre is currently Professor at the Faculty of Pharmacy of Université Laval. He was the Dean of the faculty between 2011 and 2019, and the Director of the Master's degree in Advanced Pharmacotherapy between 2008 and 2011. He is a member of the CPRB Surveyors working group.

Erika MacDonald, BSc, ACPR, MSc, PharmD

Pharmacist Professional Practice Coordinator
The Ottawa Hospital – Civic Campus
1053 Carling Ave Ottawa, ON K1Y 4E9

E-mail: erimacdonald@toh.on.ca

Phone: 613-737-8899

Erika MacDonald graduated with a B.Sc.Pharm from Dalhousie University in 2006 and completed a hospital pharmacy residency at the Ottawa Hospital in 2007. She has since been working at the Ottawa Hospital as a pharmacist in general medicine as well as critical care more recently, and Professional Practice Coordinator as of 2012. She completed a MsSc. In Epidemiology at the University of Ottawa in 2015, and a PharmD at the University of Toronto in 2019. She has an affiliation with the Ottawa Hospital Research Institute as a Clinician

Investigator, with research interests including knowledge synthesis and medication safety. She recently moved into a residency coordinator and Acting Clinical Manager at the Ottawa Hospital.

Cindy Natsheh, BScPharm, ACPR, PharmD
Education & Residency Coordinator, Department of Pharmacy
University Health Network
R. Fraser Elliott Building, 2nd Floor
Pharmacy Administrative Offices
190 Elizabeth Street
Toronto, Ontario M5G 2C4
Email: cindy.natsheh@uhn.ca
Phone: 416-340-4800 ext. 8519

Cindy Natsheh graduated from pharmacy from the University of Toronto, completed a general hospital residency at the University Health Network (UHN) and a Doctor of Pharmacy from the University of Colorado. Cindy has worked in diverse inpatient and ambulatory patient care areas at UHN including cardiology, cardiovascular surgery, general internal medicine, pre-admission, traumatic brain injury and post-discharge medicine clinics. Currently she is an education coordinator at UHN providing leadership and support to preceptors and learners. She has been a residency co-coordinator for UHN's Year 1 and Year 2 programs since 2008.

Marc Perreault, MSc, PharmD, BCPS, FCSHP
Full Clinical Professor Université de Montréal
2940, Chemin de la Polytechnique
C.P. 6128, Succ. Centre-ville
Montréal, QC, H3C 3J7

E-mail: marc.perreault@umontreal.ca
Phone: 514-343-6111 ext. 3788

Marc Perreault graduated from his Bachelor of Pharmacy at Université de Montréal in 1988 and completed a hospital residency at Hôpital Saint-Luc in Montreal in 1989. He obtained his Doctor of Pharmacy degree from the State University of New York at Buffalo, New York and subsequently completed a 2-year research fellowship in cardiovascular pharmacology at Hôtel-Dieu de Montréal. He worked at the Ottawa General Hospital from 1994 to 2001 as a critical care specialist after which he moved to Montréal for a joint position with the Faculty of Pharmacy as well as the McGill University Health Center. In 2007, he became the director of the master's program and under his leadership; the program underwent significant changes to comply with the 2010 CPRB standards as well as to be in continuum with the implementation of the entry-level PharmD. He stepped down as the director of the master's program in 2016. He is currently a Full Clinical Professor; continues to be a critical care pharmacist and he is involved with the faculty's own accreditation committee. He is also associate editor of the Canadian Journal of Hospital Pharmacy.

Gisia Pisegna, BScPharm

Pharmacist Pharmacy Services
Réseau de Santé Horizon Health Network,
The Moncton Hospital
135 MacBeath Ave
Moncton, NB, E1C 6Z8

E-mail: gisia.pisegna@horizonnb.ca

Phone: 506-857-5335 ext. 7

Gisia Pisegna is a clinical pharmacist in medical/surgical and neuro critical care and a residency preceptor at The Moncton Hospital. She graduated with a Bachelor of Pharmacy from Dalhousie University and completed a hospital residency at The Ottawa Hospital. Gisia is a member of the Research and Ethics Board for Horizon Health Network. Prior to critical care, she practiced in oncology and served as a member of the Provincial Oncology Drug Formulary Advisory Committee. She is a member of the CPRB Surveyors working group.

Bonnie Ralph, BPharm, RPh, ACPR

Clinical Lead Pharmacist and Residency Coordinator
Kingston Health Sciences
76 Stuart Street
Kingston, ON, K7L 2V7

E-mail: Bonnie.Ralph@kingstonhsc.ca

Phone: 613-549-6666 ext. 6897

Bonnie is a Clinical Lead Pharmacist at the Kingston Health Sciences Centre (KHSC), currently providing direct patient care to surgery patients as well as coordinating undergraduate student in addition to residency training for the PGYI residency at KHSC since 2001. She has seen the program grow from 2 to 4 residents per year over this time. She worked briefly in the province of Alberta at the Misericordia Hospital in 1998-1999. Bonnie obtained a BSc in Biochemistry from the University of Ottawa in 1989. She completed her Bachelors of Pharmacy at the Universite de Montreal in 1993 and her Hospital Pharmacy Residency at the Kingston General Hospital in 1994.

Bonnie has served on the executive of the Pharmacy Residency Forum of Ontario (PRFO) collaborating with other programs to improve and support residency training in Ontario and is passionate about teaching and training new pharmacists. She actively precepts pharmacy residents and students as part of her clinical practice.

Nancy Sheehan, B.Pharm, MSc.

Associate Clinical Professor

Faculté de pharmacie, Université de Montréal and
Pharmacy Department, Chronic Viral Illness Service, and
Québec Antiretroviral Therapeutic Drug Monitoring Program
McGill University Health Centre
1001 boul. Décarie, C-RC 6004
Montréal, Québec H4A 3J1

E-mail: nancy.sheehan@umontreal.ca

Phone: 514-934-1934 ext. 32169

Nancy Sheehan completed a Bachelor's in Pharmacy and a Masters in Hospital Pharmacy (1998) at Université Laval. After practicing a few years as a clinical pharmacist in a regional hospital in northern Québec (Sept-Îles), she went on to do a specialty residency in HIV at Toronto General Hospital / St. Michael's Hospital / University of Toronto (2001-2002). She then joined the Chronic Viral Illness Service of the McGill University Health Center and developed an ambulatory pharmaceutical care service and the Québec Antiretroviral Therapeutic Drug Monitoring Program. Nancy is also an Associate Clinical Professor at the Faculty of Pharmacy of Université de Montréal where she teaches on viral, parasitic, and fungal infections. She actively participated in the development and implementation of the entry-level PharmD and PharmD bridging program at U. Montréal. Nancy is also involved in clinical and pharmacokinetic research in HIV and hepatitis C.

Nancy offers clinical rotations to entry-level PharmD students and MSc (advanced pharmacotherapy) and HIV specialty residents, and since 2008 she is co-director of the HIV Specialty Residency (with Dr. Alice Tseng, Toronto General Hospital). Nancy is an active member of the CPRB, the Canadian Society of Hospital Pharmacists Research Committee, and the Co-Chair of the CPRB Surveyors working group.

Barb Thomas, PharmD, FCSHP

Clinical Pharmacy Specialist and
Residency Coordinator Eastern Integrated
Regional Health Authority
306 Waterford Bridge Rd
St. John's, NL, A1E 4J8

E-mail: barbara.thomas@easternhealth.ca

Phone: 709-777-3550

Barbara Thomas is a Clinical Pharmacy Specialist at Eastern Health in St. John's NL. She is the first Residency Coordinator for Eastern Health's Residency Program which began in July 2018. She is also a Clinical Assistant Professor with the School of Pharmacy and the Faculty of Medicine (Discipline of Psychiatry) at Memorial University. Following several years of clinical practice in acute care inpatient mental health, she completed her PharmD through the University of Colorado in 2010. She continues to practice in mental health as a

consultant pharmacist in an ambulatory mental health clinic and teaches in this area to undergraduate pharmacy students and psychiatry residents. In addition to Barbara's clinical coordinator role, she also coordinates advanced placement practice experiences for both ELPD and WPPD programs at Eastern Health.

Barbara has been actively involved in the pharmacy profession over the course of her career. She is a long-standing member of CSHP having served as President of the NL Branch and Delegate to the National Board as well as the current Chair of NL Branch Awards Committee. She is a CSHP Fellow and past recipient of the Isabel E. Stauffer Meritorious Service Award. She is also the current Past-President of the Canadian Council on Continuing Education in Pharmacy (CCCEP). Barbara is excited to be a member of the CPRB Surveyors working group.
