

THE PHARMACY PRACTICE RESIDENCY AWARD

Award Format

Four awards, each consisting of a cheque for \$1000.

Terms of Reference:

1. The applicant must be a current CSHP member and must have been a member of Ontario Branch, CSHP, at the time the residency was completed.
2. The applicant must be currently enrolled in, or one-year post completion of, a CPRB (Canadian Pharmacy Residency Board) accredited hospital pharmacy residency program.
3. This award is for a hospital residency project judged to be the most deserving in terms of representing a significant innovation, practical application and/or development in an institutional pharmacy practice setting.

Submission Requirements:

1. Two electronic copies of the manuscript describing the residency project. One electronic copy of the manuscript must not bear any marks identifying the author or hospital in which the project was completed.
2. Manuscript format must follow [Canadian Journal of Hospital Pharmacy \(CJHP\) criteria](#). The word limit (excluding abstract, references, tables, and figures) is 3500. A copy of the criteria may be found on the Ontario Branch website (www.cshpontario.ca).
3. Completed Application Form.
