## What's New??

*Stay informed about PEI-Branch Activities*

### Education Committee Changes

In an attempt to better utilize the volunteer services of our branch members, the education committee is in the process of being reorganized. During this transition year, members of the executive, along with the remaining education committee members, will continue to offer CSHP members high quality educational opportunities. Consider joining this exciting committee as the chairperson or member in the Spring of 2019 at our AGM!!

### Travel Grants

Will you apply for one of this year's grants for educational travel? Watch for applications in early October! Also, all travel grant funds must be used **within a year** of being awarded. Plan accordingly!

### CSHP-PEI Branch Executive on the Move!

Kelly and Danielle will be attending the CSHP 2018 Annual General Meeting and Fall Board Meetings in Winnipeg from October 17-21, 2018. They will have the opportunity to represent our branch at a national level and partake in important discussions surrounding the future of CSHP and hospital pharmacy in general. We look forward to hearing all about their trip!
