

2018 Spring RB News

The Canadian Pharmacy Residency Board (CPRB) held its winter meeting on February 3rd and 4th, 2018. The following items are highlights of the activities, decisions, and discussions of the CPRB.

1. CPRB Members

The CPRB has 9 members who contribute to pharmacy residency practice in Canada. Each member represents a region of Canada and liaises with Provincial Coordinators and Program Directors and Coordinators in that region. Board buddies are assigned to new programs. The CPRB has members that represent all regions that support residency programs. The Board welcomes four new Board members, Melanie Danilak, Debbie Kwan, Leslie Manuel and Nancy Sheehan.

If you have questions about the standards, starting a new program, are interested in volunteering with a CPRB working group, or have any other questions, please call on the representative for your region or visit the CSHP website at <https://cs hp.ca/cprb> or contact Gloria Day at the CSHP office.

CPRB Members	Email	Liaison
Jennifer Bolt, Chair	bolt.jl@gmail.com	Saskatchewan Liaison
Céline Corman, Past-Chair	CCORMAN@Ottawahospital.on.ca	Ontario Liaison
Henry Halapy, Vice-Chair	Halapyh@smh.ca	Ontario Liaison
Melanie Danilak	melanie.danilak2@ahs.ca	Alberta Liaison
Curtis Harder	Curtis.Harder@viha.ca	B.C. Liaison
Debbie Kwan	Debbie.Kwan@uhn.ca	Ontario Liaison
Leslie Manuel	Leslie.Manuel@HorizonNB.ca	Atlantic Liaison
Marc Perreault	marc.perreault@umontreal.ca	Faculty Liaison
Nancy Sheehan	nancy.sheehan@umontreal.ca	Québec Liaison

2. Retiring CPRB Members

The Board thanks Colette Raymond, Karine Cloutier, and Moira Wilson for their valuable contributions to the Board. Board members, surveyors and programs have benefitted from their wisdom and experience. Moira and Karine will continue to contribute to the CPRB as members of the Surveyors working group.

3. Regional Coordinators

In regions with multiple programs, the CPRB recognizes designated Coordinators, who support the application process and may have other functions as required for the region. As Manitoba has a single program there is no Regional Coordinator.

Regional Coordinator	Email	Province
Tania Mysak	tania.mysak@ahs.ca	Alberta
Curtis Harder	Curtis.Harder@viha.ca	British Columbia
Harriet Davies	Harriet.Davies@Dal.Ca	Atlantic
Venita Harris	venita.harris@lhsc.on.ca	Ontario
Marc Perreault	marc.perreault@umontreal.ca	Québec
David Blackburn	d.blackburn@usask.ca	Saskatchewan

4. Hospital Pharmacy Residency Forum of Ontario (HPRFO)

Venita Harris will continue in her role as the chair of HPRFO.

5. Accreditation Awards

The CPRB members and surveyors completed on-site accreditation surveys at 8 programs in 2017. The members continue to learn from and with the various coordinators, residents, directors and preceptors. Congratulations to B.C. Cancer, Horizon Health Network, Interior Health of British Columbia, London Health Sciences Centre, Northern Health, Nova Scotia Health Authority (Central Zone) Université Laval, Université de Montréal on receiving accreditation.

6. Standards Group Update

Over the past year, the Standards Group has completed revisions of the Accreditation Standards for Pharmacy (Year 1) Residencies (last version published in 2010) and the English version is expected to be published in spring 2018 with the French version to follow. Work is just beginning on developing definitions of levels and ranges for both of the Year 1 and Year 2 Standards. The Standards Group, with input from stakeholders with both Year 1 and Year 2 residency training experience will be involved in developing a “straw dog” document, with an iterative national stakeholder feedback process to follow.

The Accreditation Standards for Advanced (Year 2) Pharmacy Residencies were published in May 2016. The Board invites any programs that are considering or currently planning the implementation or a request for accreditation of a Year 2 residency to notify the Board. The Board will be pleased to offer assistance in the program planning process.

Currently, the Standards Group is made up of the following volunteers: Curtis Harder (Chair), Henry Halapy, Allan Mills, Heather Kertland, Debbie Kwan, Melanie MacInnis, Nancy Sheehan, Marc Perreault, and Aleisha Enemark. We thank Peter Loewen and Lalitha Raman-Wilms, who have recently left the group, for their years of commitment and service.

7. Education Group Update

The Education Group plans and implements educational events to address identified learning needs for Canadian pharmacy residency directors, coordinators, and preceptors. The Education Group consists of the following members: Jennifer Bolt, Nicole Bruchet, Melanie Danilak (Chair), Amy Marriott, Tania Mysak, Cindy Natsheh, and Jennifer Teng.

Watch for details regarding the next webinar on the Four Roles of Practice Based Teaching, which is scheduled for fall 2018. Webinars are recorded and stored on the CSHP website, along with presentation handouts: <https://cshp.ca/cprb-webinars>. Suggestions for webinar topics are always welcome. Please let us know about topics that you would like to hear about, as well as successful topics that you have delivered within your program – email [Melanie Danilak](mailto:Melanie.Danilak@csphp.ca) with your ideas.

8. Surveyors Group Update

The Surveyors Group consists of the following members: Céline Corman (Chair), Cathy Burger, Roxane Carr, Karine Cloutier, Barb Evans, Christine Landry, Leslie Manuel, Allan Mills, Gisla Pisegna, and Moira Wilson. The group continues to meet on a quarterly basis via teleconference. Over the past year, the Surveyors Group has participated in numerous surveys and new members have undergone surveyor training. The surveyors group is working on development of survey materials for the updated Accreditation Standards for Pharmacy (Year 1) Residencies and Advanced (Year 2) Residency programs.

9. Resident Recruitment for 2018-2019

The Pharmacy Residency Application Matching Service (PRAMS) was used to successfully match 116 residents to programs for the 2018-2019 year. Applications to residency programs continue to be competitive. The chart below provides the residency match statistics for the last two years.

Year	Accredited programs registered	Non-accredited programs registered	Registered candidates	Unmatched candidates	Positions available	Positions filled
2017-2018	26	1	327	216	111	111
2018-2019	26	3	353	237	117	116

The board has requested feedback from residency programs, applicants and referees on the process and will be requesting feedback from programs on the content of the PRAMS application.

10. 2019-2020 Pharmacy Residency Application and Matching Service (PRAMS) dates to remember

For the 2019-2020 recruitment year, the PRAMS deadlines are:

- September 14th 2018 – Programs must update/revise online program information
- October 15th 2018 – Applicant deadline to apply to programs
- January 7th 2019 – Ranking by applicants and programs closes at 5 p.m. EST
- January 14th 2019 – Match results will be available on line
- January 15th 2019 – Unmatched applicant list available to programs that have unmatched positions
- January 18th – Applicants contact programs to accept match
- January 21st – March 1st, 2019 – Programs email CPRB Administrator confirmed applicant acceptance of match

11. Leading Practices for Residency Programs

Programs are invited to submit leading practices that can be shared with others across Canada. Leading practices are examples of how programs have implemented rotations, evaluations, or program planning to meet the Accreditation Standards. Previously accepted leading practices are maintained at <https://cshp.ca/leading-practices> for your reference.

12. Year 2 Residency Programs

The Board has received notification of one new Year 2 residency program (critical care) that will be starting in 2018. We welcome the Lower Mainland Pharmacy Services, British Columbia - Critical Care Program. Lower Mainland Pharmacy Services will be surveyed in the fall 2019.

13. Professional Development Week (PDW)

PDW was held in Edmonton, Alberta from January 10-13, 2018. CSHP/CPRB displayed a booth at the PDW Health Fair and answered questions from students who stopped to hear about the benefits of residency training and how to apply. Thank you to Melanie Danilak for representing CPRB at this event. The next PDW will be held in St. John's, Newfoundland in 2019.

14. What is CPRB working on?

CPRB has been working on the Accreditation Standards for Pharmacy (Year 1) Residencies. The English version of the updated standards will be released in the spring of 2018 and will be used for surveys planned in the spring of 2019 and onwards. The French version of the standards will be released in the fall of 2018. A webinar to highlight changes from the 2010 to 2018 standards will occur after they are released. CPRB has been updating the survey documents for residency programs and surveyors in preparation for use of these standards and have also been developing the survey documents for Advanced (Year 2) Pharmacy Residencies. CPRB will soon start work on the Levels and Ranges to accompany the standards.

CPRB is also collecting feedback on PRAMS, and will be working to make some small changes to better meet the needs of programs, applicants and referees.

CPRB is working on creating a promotional video to support Canadian Pharmacy Residencies. This program will utilize the funds graciously donated by Canadian College of Clinical Pharmacy (CCCP).

Starting with this issue, a French version of RB News will also be available.

You Asked Us

1. Are residents required to have a CSHP membership for the duration of their residency?

Yes, residents must be CSHP members for the entire duration of their residency program.

2. Do interim residency program directors and coordinators have to be CSHP members?

Yes, interim residency program directors and coordinators must be CSHP members.

3. What is the purpose of preceptor to preceptor communication between rotations?

The purpose of communication from preceptor to preceptor between rotations is to ensure longitudinal development of the resident as required in the 2010 CHPRB Accreditation Standards - Standard 2.2.3.7(b) and the revised 2018 Year 1 Accreditation Standards - Standard 2.2.3.11(b)

4. When will programs be accredited using the updated 2018 Accreditation Standards for Pharmacy (Year 1) Residencies?

The updated version of the Year 1 Accreditation Standards will be used to accredit programs starting in spring of 2019. Programs accredited prior to this will be accredited based on the 2010 standards.

15. Student and Resident Networking Event

The CPRB hosted a Student and Resident Networking Event at the CSHP Professional Practice Conference on February 3, 2018. This event was very successful with 55 residents, 32 students, and 42 volunteer practitioners in attendance. Thank you to Fresenius Kabi Canada Ltd. for sponsoring the event and to the volunteer practitioners that made this event so successful. The Networking Event will continue each year at the CSHP PPC conference.
