

Appendix 1: Impact of Weekend Staffing on ER BPMH Service Jan 2010 5 day/week to Feb 2010 7days/week

Pre-Admission BPMH increased from an average of 9 to an average of 68

Post-admission BPMH decreased from an average of 72 to an average of 39 when the Tech is here weekends

Hospitalists indicated a savings of 30 minutes/admission when BPMH is completed before admission which would equal 25.5 hours in Jan and 42 hours in Feb
